FY 06 Recommended Budget

City of Springfield

**Function:** Development

**Department:** Office of Housing and Neighborhood Services

Department Budget: \$7,202,117

#### **Department Mission:**

The mission of the Office of Housing and Neighborhood Services is to increase the availability of safe, affordable housing for all Springfield residents and to improve the quality of life in Springfield neighborhoods.

#### **Department Highlights:**

The Office of Housing & Neighborhood Services is an administrator of federal and state housing and community development funds. In this administrative capacity, the Office oversees the utilization of:

- **HOME** funds that provide financing to affordable housing projects.
- **HOPWA** Housing Opportunities for Persons with Aids funds that provide housing services to eligible households.
- McKinney Vento funds targeted to provide a Continuum of Care to homeless households. The
  resources dedicated to homeless services only represent those resources administered by the
  Office of Housing and Neighborhood Services and not all resources expended by the City of
  Springfield.
- **ESG** Emergency Shelter Grant funds that fund emergency shelter operations as well as prevention to serve homeless persons.
- Heating System Program provides heating system repair and replacements to eligible homeowners.
   GTLO-Get the Lead Out funds to finance lead hazard controls for existing homeowners.
   LHEAP-Lead Hazard Education and Abatement funds which are utilized to provide public health education, lead testing, Abatement, and lead hazard worker training.
- **CDBG-**Community Development Block Grant funds to support neighborhood organizations and revitalization efforts.

City of Springfield FY 06 Recommended Budget

**Function:** Development

Department: Office of Housing and Neighborhood Services Program: Homeless Services and Special Needs Housing

Program Budget \$2,355,376

## **Program Goal:**

The goal of the Homeless Services and Special Needs Housing Program is to provide funding and assistance to organizations to enable them to provide effective services and housing to homeless and special needs persons.

#### **Program Narrative:**

The Program of Homeless and Special Needs Housing administers federal funds dedicated towards serving the housing and support service needs of eligible households. Funds administered include McKinney-Vento, Emergency Shelter grant, and HOPWA (Housing Opportunities for Persons with AIDS)

# **Program Objectives:**

- 1. Increase housing opportunities for homeless persons and special needs populations by 25%
- 2. Maximize the resources available to serve homeless and special needs household.
- 3. Increase the number of contracted providers achieving program goals by 30%

Key Program Measures	FY 2004 Actual	FY 2005 Estimated	FY 2006 Projected
Number of housing units provided for HOPWA household	s 34	40	50
Amount of resources leveraged for housing and	\$92,500	\$120,000	\$135,000
services for HOPWA households			
Percent of funded service providers achieving program	65%	65%	85%
goals.			

### **Proposed Program Changes:**

No proposed changes are contemplated but may be required as a result of community need and available resources. The resources dedicated to homeless services only represent those resources administered by the Office of Housing and Neighborhood Services and not all resources expended by the City of Springfield.

City of Springfield FY 06 Recommended Budget

**Function:** Development

**Department:** Office of Housing and Neighborhood Services

Program: Neighborhoods
Program Budget \$1,858,072

# **Program Goal:**

The goal of the Neighborhoods program is to provide efficient accessible neighborhood services that enhances the quality of life and involves the community.

#### **Program Narrative:**

The Neighborhood program strives to enhance the quality of life in Springfield's neighborhoods. Projects are undertaken in partnership with residents, businesses, neighborhood organizations, institutions and city and state departments.

The program supports neighborhood councils and civic associations located in HUD eligible areas through the provision of funding and technical assistance. The program works to eradicate blighting influences including graffiti, abandoned properties, and illegal dumping sites.

### **Program Objectives:**

- 1. Increase by 20% the number of resident organizations participating in revitalization efforts.
- 2. Achieve 85% satisfaction of residents with neighborhood revitalization projects.
- 3. Reduce time from identification to remediation of graffiti and dumping sites.

Key Program Measures	FY 2004 Actual	FY 2005 Estimated	FY 2006 <u>Projected</u>
Number of participating organizations	11	15	20
Percent of resident's satisfied with revitalization efforts	N/A	N/A	70%
Number of sites remediated	N/A	75	120
Average time to remediate identified sites	N/A	120 days	90 days

#### **Proposed Program Changes:**

The program is implementing a significant focus on concentrated revitalization efforts. While continuing the provision of funding and technical assistance to existing resident councils, the program will expand its efforts to include neighborhood capital projects, remediation of blighting influences, and coordination of public infrastructure projects.

FY 06 Recommended Budget

City of Springfield
Function: Development

**Department:** Office of Housing and Neighborhood Services

Program: Housing
Program Budget \$2,988,669

# **Program Goal**

The goal of the Housing Program is to efficiently and effectively administer state and federal housing and community development funds and operate programs consistent with the City of Springfield Consolidated Plan in order to improve citizen's access to safe, decent affordable housing.

### **Program Narrative:**

The Housing program acts as a financier for affordable homeownership and rental projects undertaken by private developers. Utilizing a variety of resources, the program funds private developers to redevelop problem, blighted properties into affordable housing.

Additionally, the Housing program provides an array of services and funding directly to low and moderate income households. Activities include homebuyer education and counseling, direct financial assistance to homebuyers, rehabilitation, lead abatement, and energy conservation programs to existing homeowners.

### **Program Objectives:**

- 1. Increase the number of eligible households directly assisted by 20%.
- 2. Create an additional 70 affordable units annually.
- 3. Develop blighted properties.

Key Program Measures	FY 2004 Actual	FY 2005 Estimated	FY 2006 Projected
Number of assisted households	931	1,000	1,200
Number of affordable housing units created annually	59	72	50
To redevelop 20 blighting properties	18	17	20
To achieve 85% satisfaction among education	N/A	N/A	85%
program participants			

#### **Proposed Program Changes:**

The program will continue to operate all existing programs but will additionally focus on the redevelopment of blighting properties.
